## Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or uneasy heart beats, and makes one feel as though they had heart trouble, because the heart is overworking in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

## THE SICK.

Mrs. Sallie K. Ene State Secretary and Organizer of the C. W. B. M., is very sick at her home in Winchester. There is no hope of recovery.

Anderson Chenault has been sick during the past week.

Miss Flora Samuels, who has been quite sick, is very much improved.

Mrs. Martha Gibson is seriously ill with pneumonia.

## Wanamaker's Idea.

"To discontinue an advertisement," says John Wanamaker, the largest advertiser in the world, "is like taking down your sign. If you want to do business you must let the people know it. Standing advertisements, when frequently changed, are better than reading notices. They look more substantial and business-like and inspire confidence." I would as soon think of doing business without clerks as without advertising.

Miss Annie E. Gunning, Tyre, Mich. says, "I suffered a long time with dyspepsia; lost flesh and became very weak. Kodol Dyspepsia Cure completely cured me." It digests what you eat and cures all forms of stomach trouble. It never fails to give immediate relief in the worst cases.

## CASTORIA.

The Kind You Have Always Bought

Bears the Signature

John Oils and family who left Bath county a few weeks ago to make their future home in Illinois, are expected to return January 30. Dissatisfaction is the cause of their return.

"I feel as if I should fly to pieces." How often these words are on a woman's lips. They express to the uttermost the nerve racked condition of the body, which makes life a daily martyrdom.

If this condition had come suddenly it would have been unbearable. But the transition was gradual. A little more strain each day on the nerves. A little more drain each day of the vitality. Any woman would be glad to be rid of such a condition. Every woman tries to be rid of it. Thousands of such women have been cured by Dr. Pierce's treatment with his "Favorite Prescription" when local doctors had entirely failed to cure.

"Favorite Prescription" contains no opium, cocaine or other narcotic.

The regular board can now proceed with its duties without interference.

## LEGISLATIVE NEWS.

Trimble, of Franklin, Speaker of the House.

Sensational Charge of Bribery Made.

The Democratic caucuses met on Monday evening Jan. 1. Wm. Goebel was elected chairman of the Senate Caucus. Hickman, of McLean, was elected chairman of the House caucus. In the House caucus the speakership race on the first ballot stood Lyon, 9; Cantill, 20; Trimble, 28. Necessary to elect, 30.

On the thirteenth ballot Lyon's strength went to pieces, and Trimble was elected speaker of the House, Cantrill and Lyon withdrawing.

Other House nominations were as follows: Assistant Clerk, Henry Williams, of Warren; Sergeant-at-arms, Percy Haley, of Franklin; Enrolling Clerk, Miss Ingles, of Bourbon, by acclamation. W. L. Lyons, of Jessamine, was nominated for Doorkeeper, beating Frank Wallace, of Fayette. Leigh, of Paducah, was elected House Clerk. In the House caucus all the 58 Democrats answered to the roll call and participated.

## IN THE SENATE CAUCUS.

Wm. Goebel was unanimously elected Speaker of the Senate pro tem; Desha, of Harrison, Chief Clerk; Cromwell, of Franklin, Assistant Clerk; Hensley, of Paducah, Sergeant-at-arms; Richardson, of Daviess, Doorkeeper; Catlett, of Caldwell, Janitor.

Mrs. Mollie Bennett, of Lyon, was nominated for Enrolling Clerk; Ferguson, of McCracken; Norris, of Garrard and Molloy, of Lyon, pages.

In the Senate four Democrats remained out. Hays and Alexander, of Jefferson; Gillispie, of Nicholas, and Roberts, of Owensboro, bolted the Senate Caucus. Hill, of Campbell, was ill.

The Senate caucus then passed a resolution that a steering committee of six, with Goebel as chairman, be chosen by Goebel and the caucus adjourned.

## DURING THE SENATE CAUCUS.

Senator Harrell, of Logan county, created a sensation by making an alleged expose of the anti-Goebel leaders, declaring that he had been approached by J. H. Whallen, of Louisville, and paid \$4,500 to remain out of the caucus. The money, he said, had been placed in a box with the Louisville Trust Company, the key to which he passed up to Senator Goebel, who was presiding over the caucus, ending his speech by declaring that he had entered into the deal for the purpose of exposing Whallen, and further that there was not money enough in the world to make him disloyal to his party and his State.

Senator Harrell's declaration has led to an investigation which shows that the box contained the \$4,500. By agreement the box was to be opened only in the presence of Harrell, Whallen and Chas. Ryan. The matter was reported to Judge Cantrill of the Circuit Court. He ordered the box brought from Louisville. The trust officials accompanied the box. Whallen's friends claimed that the box when opened would contain a note showing that the money was a wager regarding the majority in the Governor's race. This proved to be false. Whallen will no doubt be indicted for attempting bribery.

## BLACKBURN FOR SENATOR.

The joint caucus on Tuesday evening by acclamation nominated J. C. S. Blackburn for United States Senator to succeed Senator Lindsay. A vote for the election will be taken to-day and also on the 16th, there being doubt as to the proper date. He will be elected.
